Hiring manager,
Oracle,
2300 Oracle Way, Austin,
TX 78741

Dear Sir/Madam,

By means of this letter, I would like to inquire about the possibility of filling an outstanding Software Engineer at Oracle. My preference would be to fill the position of Software engineer.

I am currently studying Computer Science and Electronics at Wayamba University of Sri Lanka .Also, I just finish my internship as an intern software engineer . During these studies, students are readied to become Software engineer . I would like to use my skills with your organization, in order to make optimal use of my acquired knowledge..

I would describe myself as someone who is passionate with software developer,software engineering and web developer . I would like to put these characteristics to use within your organization. Given my education at Wayamba University of Sri Lanka, I think I am perfect for the position of Software engineer. The components that were discussed during my studies closely match the skills required for this position.

I would like to further explain my motivation for the position of Software engineer during a personal meeting. You can reach me either by phone via 0718933579 or by email via chathuri537@gmail.com.

Thank you for your consideration. I look forward to hearing from you.

Sincerely,
Chathuri Sathya
